Kevin Durant will miss the rest of the season after breaking a bone in  
his foot on Tuesday in a loss to Utah. Durant's foot was examined  
again Tuesday morning, and doctors confirmed that the star forward  
needs surgery. Durant will have the operation as soon as possible,  
according to the report. The surgery would be a procedure in which  
surgeons cut a hole in Durant's foot and insert a metal plate with  
screws into the foot, while Durant will wear a cast for several weeks.  
Durant only recently returned to the Thunder after being plagued with
