2016 FEATURE NOVEMBER Issue | 03 07 ea Standard | 08 11 c Standard | 09 14 a Service | 10 17 e Electrical | 12 20 b Motor | 13 24 a LinesPages 19 Nov 2016 Review of books read for November Many of these books were gift copies that I won a while back. 19 November And the second half of Book Riot Reads' December-December 2015. We take the month-long break in the middle of the year to catch up on all the reading you've been putting off - the books you thought you'd buy but put off, the books you can't put down, the books you loved. This is what's keeping me busy (and not the writing I wish I were doing) - a semi-random collection of books I've read, reread, listened to, etc., as part of my 2016 books read goal. This is also meant to be a side-project with Book Riot Reads, so to speak, because I have always struggled to keep up with books, in part because there are so many of them to pick from in my home area. I've included a link to each book's Goodreads page in case you want to check those out if you haven't read them already. (And if you have, maybe you could add a review to the library or something.)
