Asbestos Tanker (The Dutch names for this is The Dutch Ground Tanker, literally meaning "the little Dutchman"), a ship that is the largest barge in the world. Built in 1965, this massive aircraft carrier is 171m long, with a width of over 12m. Largest aircraft of this size have a maximum length of 200m. With a payload of over 36,000 tonnes, this ship is capable of carrying the weights of about 33 Boeing 747s. But this doesn't take into consideration the passenger and cargo capacity of the ship. It has a total capacity of about 7200 passengers and crew, of which the
